ML EXPORTS
HOME TEXTILES

"for all your home textile needs with quality and excellence"

A Government of INDIA Recognised
"One Star Export House"

Our Life Begins...

ML-Exports was fountded by a team of experts in the year 2005 engaged in manufacture and exporter of home furnishing fabrics and made ups with its registered office and factory at karur, Tamilnadu, the hub for Textiles and Made ups in India. Our vision is to build a global company delivering a complete array of innovative and effective home furnishing solutions.

Our Vision

To become a total retail solution provider to all global retails clients in the home segment built around a unique business model to continuously offer quality products at compentitive rates..

Our Key

We strongly believe in investing in human capital to achieve the targeted quantum growth. The company has recruited experienced professionals to drive its key operations in all focused areas of product design, production, quality control, finance & logistics.

Our Policy

Quality is the key factor for our success. We strongly believe that the skills and technology need to be implemented without compromising on the quality of the final product.
